# About the Performer

Teige Michael Bredin graduated Summa Cum Laude from Lowell High School in May 2024. He started playing the piano in 1st grade, walking barefoot and coatless no matter the weather to lessons a block away. In 9th grade he studied jazz piano with Dr. Robin Connell but soon after discovered a passion for classical piano and, specifically, Chopin with his beloved teacher Sherry VanOveren of *Piano in Action*.

Teige has performed at the GVSU 20th/21st Century Piano Festival for three years. He participates in many *Piano in Action* annual performances including the Feeding America benefit, Heather Hills Christmas recital, and S.T.A.R. (Student Taught Action Recital). He has accompanied a senior soloist and has the privilege of providing music as a guest soloist at Ada Congregational Church.

In his free time, Teige participates in many extra-curricular activities including Model U.N., student council, National Honors Society, and Interact, a Jr. Rotary Club. Teige was a four-year varsity lacrosse player and is deeply interested in science. After Miss Sherry gifted him a copy of *Why We Sleep* by Matthew Walker, Teige fell down a rabbit hole of health and wellness from which he is yet to emerge. Quite simply, he loves to learn and possesses a deep curiosity about the world around him.

Next year, Teige will attend Kalamazoo College to study biology and chemistry. He will play lacrosse for the Hornets and continue his piano studies privately while participating in a campus ensemble.
